Recommendation Letter

Dear Hiring Committee,

I am writing to highly recommend Hakhamanesh Karimi for the MAT program at AUCA University. During his tenure with us, Hakhamanesh has proven himself to be a dedicated and capable educator. He has supervised robotic projects in inter-school competitions, showcasing his ability to develop students' creativity and problem-solving skills. His commitment to practical learning has greatly enhanced our students' academic experiences.

Additionally, Hakhamanesh organized the "International Reading Challenge" competition for high school students. This event represented his initiative to develop a love for literature and critical thinking. His involvement in such activities reflects his deep commitment to education.

In his role as an English Proficiency Test counselor, Hakhamanesh has guided students through TOEFL preparation. He provided personalized support and contributed valuable feedback in weekly assessments.

Recognizing his dedication and excellence, Hakhamanesh has been honored with the Best Teacher of the Month award twice since 2023. This recognition underscores his exceptional teaching skills and his positive impact on both students and colleagues.

In conclusion, I enthusiastically recommend Mr. Hakhamanesh Karimi as an outstanding candidate for the MAT program at AUCA University. His experience and soft skills make him a valuable addition to any educational institution. I am confident that he will continue to inspire and educate students effectively.

Sincerely,
Nisar Ahmad Sharifi
